

Tips for Filling out the MOHE English Security Form

For applicants to the Ministry of Higher Education (archives, libraries, collections held in government institutions)

Download and fill out the MoHE Application in English. This form is entirely in English and says to be submitted to the Egyptian Ministry of Education.

Questions 1-7 Self-explanatory

Question 8 Put October 1, 2023 – September 30, 2024. This gives us flexibility in case of delays in obtaining security clearance.

Question 12A Ignore and leave blank

Question 12B Information typed on this line will automatically repeat on following line. Frustrating, but there is no work around except to fill form out by hand.

Question 14 N/A

Question 20 List the governmental locations where you will conduct research such as Dar al Kutub or other archives and libraries. You do not need to list private collections.

Question 21 No, you will not use a questionnaire (these are not permitted).

Question 22 No, field research refers to interviews, which are not permitted in Egypt.

Question 23 If you do not name a scholar at an Egyptian university to mentor you, ARCE will assign one based on our significant experience working with research fellows. There is a place on ARCE application to indicate the department your affiliate should be associated with in case you do not have a name.

Signature and date: You must print out the form to add your signature

Tips for Filling out the MOHE Arabic Security Form

For applicants to the Ministry of Higher Education (archives, libraries, collections held in government institutions)

Download the MoHe Security Form in Arabic. This is the bilingual form with the logo of the Egyptian eagle in the top right corner.

This form is highly unstable and should be filled out by hand in Arabic, scanned and uploaded as a PDF file.

Page 1 Religion: Please put something, preferably not agnostic or atheist, these do not fit within the cultural norms here. If you are not practicing any religion, put your birth religion.

For females: husband's name and profession: Please fill in if you are married, even if it seems irrelevant. If your husband is not accompanying you, you may choose to leave this blank and put N/A. If he is accompanying you, it may help in securing his residency visa.

Permanent address abroad: This is your address in the USA

Page 2 Present position abroad: This refers to what you are doing now in the USA or other country outside of Egypt.

Sponsoring institution: American Research Center in Egypt

Program nominated for: ARCE fellowship program

Areas of research sources: This is where you write where you will conduct your research; Dar el Kutub, Dar el Watha'iq, other collections or libraries. You should not include any sort of field research, such as interviews. You do not need to mention privately held collections or archives.

Agreement governing your research grant: Agreement between ARCE and Egyptian Ministry of Foreign Affairs.

Duration of research: Due to delays in getting security clearances, it is advised that you write October 1, 2023- September 30, 2024 as your proposed research dates. You will still only be funded for the length of time you are granted in your award letter
