07:30 AM Meet your guide and head to the **Giza Plateau**

08:30 AM Private visit to **the Paws of the Sphinx**. The Sphinx is the largest monolithic statue in the world and the oldest known monumental sculpture.

Proceed to the famous **Giza Pyramid Complex**. Dominating the plateau and running in a southwest diagonal through the site are the three pyramids of the pharaohs Khufu, Khafra, and Menkaura. The northernmost and the largest belongs to Khufu. **Khafra's pyramid** is built precisely on a southwest diagonal to his father's pyramid on higher ground to create the illusion of being bigger. The pyramid of **Menkaura** is much smaller and is not aligned on the same diagonal axis as the other two pyramids. **Entry to the Great Pyramid of Khufu and Solar Boat Museum** are included.

-Lecture by Dr. Zahi Hawass & Mark Lehner at the Paws of the Sphinx

Visit to the **Conservation Center at the Grand Egyptian Museum**

Lunch at Sakkara Palm Club

Then to **Sakkara**, the ancient burial site considered by many archaeologists to be home to some of the world's most important excavations. The site is home to the Step Pyramid of Zoser, which was constructed by Imhotep in the 27th century BC. The pyramid is part of the tomb complex of Zoser, the first Pharaoh of the Old Kingdom. The pyramid began as a simple Mastaba, or long, flat tomb building. Visit to the **Serapeum** included.

Next we will visit the recently restored **Synagogue of Ben Ezra**, the oldest Jewish synagogue in Egypt. Despite the 45 Jewish families that remain in Cairo, the synagogue is no longer operational.

Lunch at Felfela Restaurant

We continue to the famous **Egyptian Museum** to see its world-renowned collection of Pharaonic art, starting with the Old Kingdom Collection, onto the Middle and New Kingdom galleries, and Greco-Roman periods.
