

## **2022 Marie Buttery Student Grant**

### **Call for Applications**

The Board of Directors of the **American Research Center in Egypt, Northern California chapter**, is offering one \$1,000 grant to a qualified student. The deadline for submission is Tuesday, May 31, 2022 with the winner to be recognized at our August 21 meeting.

To qualify for this grant, the applicant must be an undergraduate or graduate student who is enrolled at a Northern California college or university (Monterey County to the Oregon border) or who has a home address in this area. They must be pursuing a degree that incorporates Egyptian anthropology, archaeology, art, history, museum studies or language, or Coptic or Arabic studies in any period. Proof of enrollment may be required.

Applicants are to submit 1) a brief summary (250-500 words) describing how they will use the grant and 2) a 1-2 page CV. The grant will be awarded by the Board based on merit. Possible uses include but are not limited to research, travel, or preparation of an exhibition or program. Proposals involving work with research materials should secure any permissions required for that work before the application is sent.

Students should apply by email (Word or PDF file) to [ARCENorCal@gmail.com](mailto:ARCENorCal@gmail.com). If possible, the winner is expected to attend the August 21 ARCE meeting – via Zoom if it is held virtually, and at the University of California, Berkeley if it is held in person.

The grant honors the memory of Marie Buttery, founding president of our chapter.

ARCE Northern California also offers a \$1,500 student grant each fall in memory of its former member Professor Eugene Cruz-Uribe. Call for applications for this grant will go out later in 2022.
